Hurricane Ian

CANE IAN

ADVISORY: 4:00

MPH

MOVING: NW at 14 MPH

PRESSURE: 983 mb

LOCATION: 18.2°N, 8

September 27, 2022

September 27, 2022

Cayo Costa, FL – 9/28/2022

A satellite image of Hurricane Ian, showing a well-defined eye and spiral cloud bands. The hurricane is positioned over the Yucatan Peninsula, with the Gulf of Mexico to its east. The image uses a color scale where red and orange indicate high cloud tops and intense convection, while green and blue indicate lower cloud tops. The coastline of the Yucatan Peninsula is visible on the left side of the frame.

During the 2022-2023 Legislative Session, HB 23 and SB 162 were introduced and CS/CS/CS/SB 162 was signed into law on June 13, 2023.

In this, Section 1. Section 403.865 Florida Statutes, was amended to read:

403.865 Water and wastewater facility personnel; legislative purpose. –

(1) The Legislature finds that:

(a) Water and wastewater services are essential to the health and well-being of all citizens.

(b) Water and wastewater facility personnel are essential first responders. As used in this section, the term “water and wastewater facility personnel” means any employee of a governmental authority as defined in s. 367.021; a utility as defined in s. 367.021; a state, municipal, or county sewerage system as defined in s. 403.031(9); or a public water system as defined in s. 403.852(2).
